AI Local Business Lead Follow-Up Kit

Give every enquiry
a clear next step.

A SMALL LOOK INSIDE

One reply to try. See what the complete kit includes.

Try one useful first reply

An enquiry arrived, but one essential detail is missing. Ask for the detail that lets you move forward.

Illustrative AI-generated business scene.

One adaptable reply

Hi [name], thanks for asking about [service]. I am [sender] at [business]. To help you choose the next step, could you tell me [one_question]?

Replace the brackets with verified details. Ask one necessary question, such as the service area or preferred day. Check the actual conversation and appropriate contact route before sending.

The complete kit goes further

Get the full follow-up process, quote and booking scripts, AI prompts, worked examples and reusable tools. This preview includes one reply only.

Give every enquiry a clear next step

Build a practical follow-up routine for the enquiries your business already receives.

Inside the complete purchase	What you can use
60-page illustrated playbook	Setup, replies, approval checks, daily routine and four worked scenarios.
48 editable message templates	Enquiries, missed calls, quotes, bookings, objections, pauses and later contact.
20 AI prompts	Draft and review using your verified facts.
Offline browser workspace	Lead records, message builder, review checks and backups.
Excel tracker	200 live records, due flags and a separate fictional demo.
7-page fillable workbook	Plan your business facts, cadence and review.

Launch offer

€9.99 for the first 10 purchases.

Regular price: €19.99.

One-time purchase. See checkout for current offer availability and final price.
